Whitby Court is a luxurious and welcoming purpose-built care home with a friendly, relaxed atmosphere. Our attentive and thoughtful team are committed to looking after our residents like they would members of their own family, catering to their every need and supporting them to live later-life to its fullest potential.

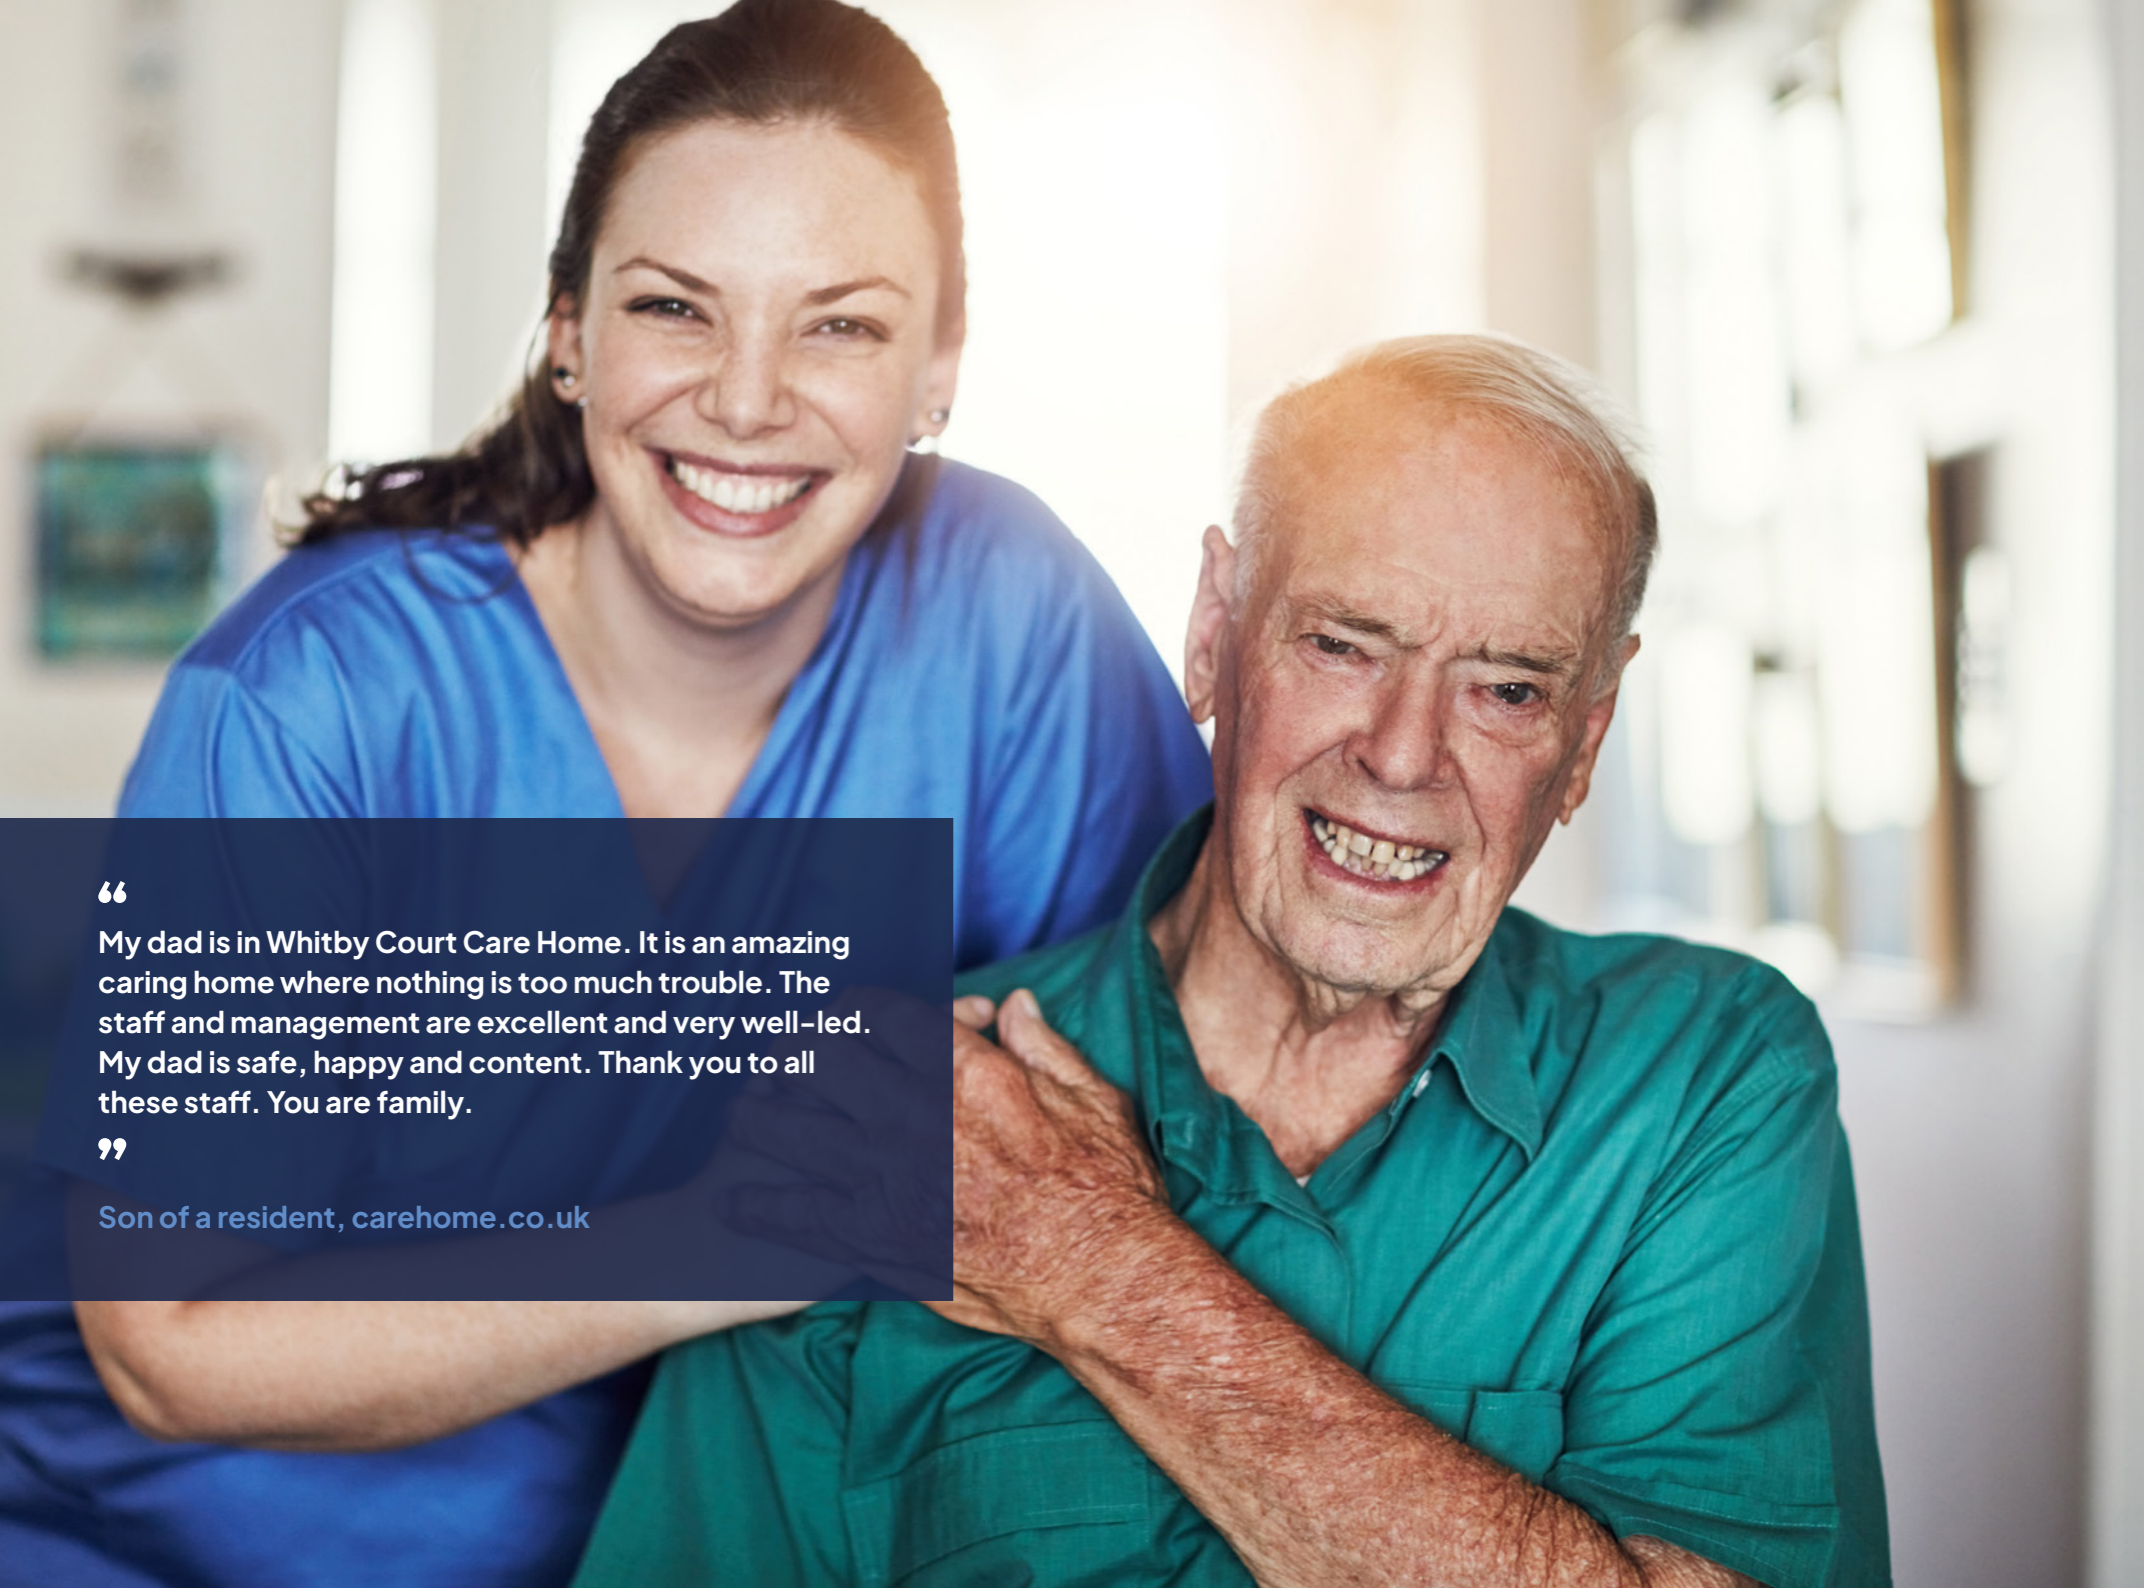

Our 51 bedrooms of varying sizes, all with en-suite facilities, come with furniture and can be personalised with treasured belongings to make them a real home from-home. We are fortunate to have many lovely communal spaces including our stunning main lounge, our dining room which opens on to an outdoor terrace and a large multi-functional space for activities, cinema afternoons and visiting entertainment. We also have a residents' shop and a hair salon.

Looking our best helps us feel our best and our hairdresser visits are just one of the ways that we help our residents to maintain their dignity and feel special.

We want everyone to look forward to mealtimes, so only the best ingredients are used to create the delicious meals served in our home. Our professionally trained teams work hard to make sure that all tastes and preferences are catered for, as we all know how important good nutrition and hydration are for maintaining physical and mental health.

The food, the table settings, the company and the general ambience all play a part in the mealtime experience which itself contributes to overall wellbeing. We serve breakfast, lunch and tea, and there's also a choice of favourite snacks and drinks available throughout the day for those who like to graze. We can cater for a range of specialised diets too including vegetarian, vegan, Kosher, Halal and texture modified meals.

**“ Mother has been in Whitby Court for a long time (11 years I think!). She was in very poor shape on the day she went in and now looks wonderful for her age (103). She enjoys her food and the company and is kept clean and neat. I couldn't ask for more, as I can go home and relax knowing she is safe and well. ”**
